2.3. The Company may verify a participant's eligibility, including their KYC/AML status, before a winner is officially confirmed.

3. ENTRY PROCEDURE

3.1. To enter the Contest, participants must register by opening a designated Contest demo account through the Score Capital Markets client portal during the registration period announced on the Score Capital Markets website (scorecm.com).

3.2. Results will include only trades executed on the designated Contest demo account within the applicable Contest trading period.

Score Capital Markets Ltd is authorised and regulated as a Margin and spot FX derivatives, CFDs Dealer by the Financial Services Unit of the Commonwealth of Dominica under license number 2023/C0010-0013 and International Brokerage and Clearing House under the Brokerage Act 2013 of the Autonomous Island of Mwali (Mohéli) with license number T2023420.

3.3. Each client may submit only one entry. Multiple accounts or duplicate registrations belonging to the same individual will result in disqualification.

3.4. Participation is limited to the first 100 eligible participants registering each month. After 100 valid registrations have been received for a particular month, registration for that month's Contest will close; additional applicants may register for the next month's Contest.

4. CONTEST PERIOD

4.1. The ScoreCM Demo Contest is held monthly. The exact trading period for each month, including its start and end dates and the relevant time zone, will be announced on the Score Capital Markets website (scorecm.com). Trades conducted outside the stated trading period will not be included in the results.

4.2. Results and winner notification: winners will receive notification by email within 7 days after the Contest concludes.

5. RANKING AND WINNERS

5.1. Participants will be ranked according to the highest absolute profit, calculated from both closed and open positions in the account currency, recorded on the Contest demo account at the end of the Contest trading period. If two or more participants achieve the same result, the participant who reached that result earlier, based on the relevant timestamp, will receive the higher ranking.

5.2.1. 1st Place: USD 1000, provided as non-withdrawable trading credit (balance).
5.2.2. 2nd Place: USD 500, provided as non-withdrawable trading credit (balance).
5.2.3. 3rd Place: USD 250, provided as non-withdrawable trading credit (balance).

5.3. If additional prize positions are introduced, they will be announced on the Score Capital Markets website (scorecm.com) before the relevant month's Contest begins. All prizes remain subject to these Terms and Conditions.

6. PRIZES AND CASH CONVERSION

Score Capital Markets Ltd is authorised and regulated as a Margin and spot FX derivatives, CFDs Dealer by the Financial Services Unit of the Commonwealth of Dominica under license number 2023/C0010-0013 and International Brokerage and Clearing House under the Brokerage Act 2013 of the Autonomous Island of Mwali (Mohéli) with license number T2023420.

6.1. All prizes will be issued as non-withdrawable trading credit and credited to the winner's live Score Capital Markets trading account within 7 days following notification of the winner by email.

6.2. To claim a prize, a winner must have a live Score Capital Markets trading account with fully completed KYC verification and Verified status. Any winner who does not currently have a live account, or whose KYC/identity verification remains incomplete, must open a real trading account and complete the required KYC verification before the prize can be credited. Failure to complete KYC verification within 7 days from the prize award date will result in forfeiture of the prize.

6.3. The trading credit can be converted in full to withdrawable cash after the winner meets the applicable trading volume requirement, calculated as follows: Volume Target (lots) = Prize Value (USD) ÷ 10*. For example, a USD 1,000 trading credit prize requires 100 lots of trading to be completed on the live account before the credit becomes eligible for conversion into withdrawable cash.

6.3.1. The required volume target must be completed within 30 days from the date the trading credit is added to the account. If the target is not reached during this 30-day period, the credit will remain non-withdrawable and will not be converted into cash.

6.3.2. Only completed (closed) trades executed on the winner's live account will count toward the volume target. Pending and cancelled orders will not be included.

6.3.3. During the period in which the volume target is being accumulated, the trading credit may be used as margin but cannot be withdrawn until the required target has been reached.

6.3.4. If the stated prize becomes unavailable, the Company retains the right to replace it with a prize of equivalent value.

**Trading volumes are calculated on a round-turn basis.*

7. FAIR PLAY AND DISQUALIFICATION
